50 Corriveau Avenue, St. Albert, Alberta, Canada T8N 3T5

We authorize **Enotri Wine Imports Inc.** to represent our products in Alberta. We understand the Agency is responsible for ordering and marketing the product in Alberta. This agreement includes:

All products we produce.

We understand AGLC will issue consignment payment to the Agency. Payment is not issued by AGLC until the product is sold to Alberta licensees.

We remain solely responsible for the quality of our product, will supply only product free of defect, safe for human consumption, that complies with all applicable legislative requirements; and we will indemnify AGLC from and against all losses, damages, claims, demands, liabilities, costs and harm whatsoever arising out of any defects or other faults whatsoever with any of our products.
The Agency will be responsible for placing orders with us and arranging delivery to an AGLC designated warehouse facility. For customs purposes, AGLC will be the Importer of Record, while shipments are designated to the attention of the Agency.

Submission of a new Letter of Authorization, appointing a new Agency, will cancel this Authorization, however, consignment payments will continue to the Agency authorized in this letter until a) this Agency notifies AGLC, in writing, that inventory can be released to the new agency; or b) all inventory designated to the attention of this Agency, and within the AGLC designated warehouse, is depleted.
We understand AGLC will not involve itself in any dispute we have with the Agency regarding payment for, or representation of our products or any sort of conflict. Should a conflict occur, AGLC will rely upon direction agreed to by the parties involved or by court order.
