VINEYARD AND PRODUCTION

Overview
Vineyards located in Lapuebla de Labarca, in the lower parts of the village, mixing different type of grapes, soils and climate conditions

Age
Vines planted between 1940 and 1960.

Soils
Limestone – clay and alluvial soils.

Harvest
Manual harvest in 20 kilo boxes. It took place on 2023 September 29th.

Winemaking
90% destemmed grapes without crushing and 10 % whole bunch with stem, for subsequent fermetation in French oak vats and open polyethylene buckets for 15 days.

Malolactic then in french oak barrels of 225 liters and 500 liters.

Aging
Aged for 7 months in 225 and 500 liters French oak barrels.

Bottling
April 15th of 2024.

TASTING NOTES

Visual phase
Cherry red color with violet rims.

Aromatic phase
Elegant and floral nose, highlighting fresh fruit aromas such as strawberry and raspberry and some touches of floral aromas such as roses.

Taste phase
Very fine and elegant wine. Tannin is delicate eventhough the short time in bottle.

Serving temperature
16-18ºC
